

License agreement

Please read the terms of the following agreement before using this software.

The sounds that came with this agreement are the property of Plughugger, which in turn is the property of Carl Löfgren. The sounds are licensed – not sold – to you, for use in your music productions.

The right to use enclosed sounds is only granted to the original end-user of the product. This right is not transferable – which means you cannot sell these sounds second hand. If the product is sold, yours and the buyers license are no longer valid.

All lending, renting, copying, duplicating, trading or reselling of this product or its contents is naturally not allowed. You may neither upload or download this product or any sounds from it, on the Internet.

You can use the sounds in any type of *commercial or private music production* without permission or paying any further fees than the original price of the product. You may modify the sounds to your needs. The only restriction is that you must not use the sounds in an isolated manner – for public releases the sound must always be used in a musical context. You are not allowed to create a sample library based on the sounds you purchase from Plughugger.

The sounds provided are licensed "as is" without warranties of any kind.

Neither the producer, nor Plughugger can be held responsible for any direct or indirect or consequential loss arising from the use of this product in whatever form.

Thank you.
